2. I acknowledge that supervision is NOT provided by the Organiser during equipment hire. I agree that I am personally responsible for my own safety and wellbeing (and that of all persons for whom I am responsible including all children under the age of 16) whilst undertaking the activity whether that be equipment hire, SUP lessons, kayaking or pedal boating.
3. I am, and all hirers and participants for whom I am responsible are, COMPETENT and CONFIDENT swimmers in open waters, and agree to wear at all times all safety equipment the Organiser provides which may include a leg rope, personal floatation device or other safety item.
4. I have been given a comprehensive safety briefing and I will obey all of the Organiser's operators' instructions immediately.
5. I have been given ample time to read and understand this risk warning and these conditions, and I have had the opportunity to decline from hiring or using or being taught how to use a SUP, kayak and/or pedal boat.
6. I am responsible to pay all reasonable repair or replacement costs for equipment I damage, or equipment that is lost or stolen whilst in my care.
7. I am in good health and able to safely use a SUP, kayak and/or pedal boat. I will return immediately to the beach, or signal for assistance, if I feel in any way unwell or if I need any assistance. I acknowledge the potential presence of stingers and other marine life and accept all risks associated with undertaking marine activities.
8. In consideration of the Organisers permitting me to undertake this activity I accept these terms and conditions and agree to indemnify the Organisers in respect of all liability, damages, costs and expenses which I or anyone for whom I am responsible may suffer or cause to others as the result of undertaking this activity.
