

INTERTIDAL ZONE

The surface of the ocean is always changing. Is the tide high or low today? Is it rough or calm?

Draw what the ocean's surface looks like today in the box with the Pilon

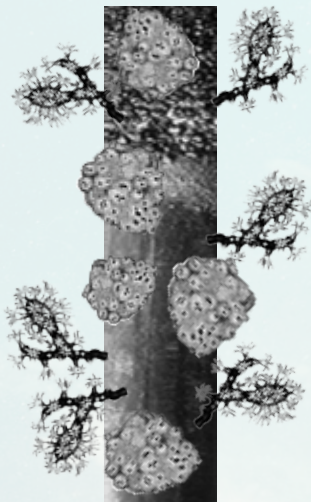

OPEN WATER ZONE

Circle which fish is best adapted to swimming in the open ocean:

MID WATER ZONE

How many sponges and corals are living on the Jetty pile?

Coral

Sponge

SEAFLOOR ZONE

Pick a window on the seafloor and draw what you can see
