

Busselton Jetty Incursion Program

Bring local history, marine science, and conservation education to your primary school classroom with Busselton Jetty's Incursion Program!

This program is free of charge for schools within a 50km radius of Busselton Jetty!

Jetty staff will deliver a 15 minute interactive presentation before leading students through 45 minutes of hands-on workshops. Students will complete their provided workbooks by rotating through 3 stations with topics of History and Preservation of Busselton Jetty, Marine Life and Biodiversity in Geographe Bay, and Plastic Pollution and Conservation.

- Free of charge for schools within 50km of Busselton Jetty
- 60 minute session per class
- Minimum 2 classes per booking
- Suitable for Years 2-6
- Limited availability, secure your date!
